Background material on the Cargill salt pond, as support for our update meeting with Region 9 I've just scheduled for Thursday, April 10th. I haven't digested the material yet either, other than to note it's a bit of a switcheroo from what'd we heard earlier about where SFO District was heading with respect to Section 10 status of the salt ponds. Let's talk a bit before getting on the phone with Region 9.
